New world forming  
Picturesque in it's stance  
Midnight calling  
Moonlight shadows start to dance

For the dark finds ways of being  
Engraved in the light  
And the heart bears indentations  
Of yesterdays hurting child  
The now we will run with smiles  
The morrow will heal the night so  
Morning comes  
Midnight make fast with the sun  
I can hear my name be reborn  
On the cloud within the sky beneath the dawn

Oh I  
Serenade the dawn  
Serenade the dawn  
Serenade the dawn

For the dark finds ways of being  
Engraved in the light  
And the heart bears indentations  
Of yesterdays hurting child  
The now we will run with smiles  
The morrow will heal the night so  
Morning comes  
Midnight make fast with the sun  
I can hear my name be reborn  
On the cloud within the sky beneath the dawn

Oh I  
Serenade the dawn  
Serenade the dawn  
Serenade the dawn

Da da da da dum dum  
Da dum dum  
Da da da da dum dum  
Da dum dum...
