If you go away,
On this summer's day
Then you might as well
Take the sun away
Or the birds that flew
In the summer sky
When our love was new
And our hearts were high
And the day was young
And the nights were young
And the moon stood still
For the night bird's song
If you go away
But if you stay, I'll make you a day
like no day has been
Or will be again
We'll sail on the sun
We'll ride on the rain
And talk to the trees
And worships the waves
But if you go away
I'll understand
Leave me just enough love to fill up my hand
If you go away
If you go away
As I know you will
You must tell the world to stop turnin
Til you return again
If you ever do
For what good is love
Without lovin you
Can I tell you now, as you turn to go
I'll be dying slowly
Til the next hello
If you go away
But if you stay, I'll make you a night
Like no night has been or will be again
I'll sail on your smile
I'll ride on your touch
I'll talk to your eyes that I love so much
But if you go

I won't cry
For the good is gone
From the word goodbye
If you go away
As I know you must
There is nothin left
In this world to trust
Just an empty room
Full of empty space
Like the empty look I see on your face
And I beat the shadow, of your shadow
if you might have kept me, by your side
If you go away...
