Wrote you this  
I hope you got it safe  
It's been so long  
I don't know what to say  
I've travelled 'round  
Through deserts on my horse  
But jokes aside  
I wanna come back home  
You know that night  
I said i had to go  
You said you'd meet me  
On the sunny road

It's time, meet me on the sunny road  
It's time, meet me on the sunny road

I never married  
Never had those kids  
I loved too many  
Now heaven's closed it's gates.  
I know I'm bad  
To jump on you like this  
Some things don't change  
My middle name's still 'Risk'  
I know that night  
So long long time ago  
Will you still meet me  
On the sunny road

It's time, meet me on the sunny road  
It's time, meet me on the sunny road

Well, this is it  
I'm running out of space  
Here is my address  
And number just in case.  
This time as one  
We'll find which way to go  
Now come and meet me  
On the sunny road
