There've been 24 calls in 24 hours
And just the other day I cried in the shower
But I'm not gonna say that you broke my heart

We had 17 fights and 20 "I'm dones"
in 12 more days, it'll be 11 months
But I refuse to say I've been torn apart

But no no, baby I was so wrong
I'm not gonna say how much I miss you

[Chorus]

This ain't a love song, it's not a love song
It's not a love song, this ain't a love song
I'm not gonna say how much I miss you

Now there's 17 shirts and 7 CD's
you've gotta pick up but I'm scared you'll come
after 9, when I'm breaking down

Cuz it's about then I'm lying bed
A Saturday night just trying to forget

You've been gone, don't wanna stick around

But no no, baby I was so wrong
I'm not gonna say how much I miss you

[Chorus]

This ain't a love song, it's not a love song
It's not a love song, this ain't a love song
I'm not gonna say how much I miss you

I know I should tell you that I think of you all day
Say that I'm so sorry baby why'd you walk away
And tell you baby I was so wrong
But no no, this is not a love song

[Chorus]

This ain't a love song, it's not a love song
It's not a love song, this ain't a love song
I'm not gonna say how much I miss you
