Tomorrow is just another day
When I let the sunshine meet my conscience
You told me stories, gave me new ideas
Pretend only you, you know the answers

I wait longing for you baby
Hmm-mmm-mmm
There's no one around me
Wanting me
'Cause you know, and I know
Enough to understand
I'm a warm waiting idol
Above

Is this what you want?
Do you want a piece of mine?
Tell me now

Are you short of cash?
Our thing was made to last
Tell me, tell me now

Tell me why

Yet another day is waiting
Now, love don't mean nothing
'Cause I'm alive
Hear me out!
Hear me out!
I'm calling, strolling
With an airplane ticket
But nowhere to go
Nowhere to go...

Is this what you want?
Do you want a piece of mine?
Tell me now

Are you short of cash?
Our thing was made to last
Tell me, tell me now

Tell me now

Is this what you want?
Do you want a piece of mine?
Tell me now

Are you short of cash?
Our thing was made to last
Tell me, tell me now
Tell me, tell me now
Tell me, tell me now

Tell me why
