I had my life, I know my place
I belong in your arms again
And I've been waiting for you
To belong to me

Some might say
I'm a silly woman to wait
But I know you still hold my love

Some people think
That I'm heading for a meltdown
That I'm sitting by the phone
That I worry but no

When I need your body close
I burn up in smoke
And I swore I'd keep waiting

Now I see this city
Won't hold my love for Armini
I know he's close but I dream
I just keep waiting, I keep waiting

Some people think
(People say)
That I'm heading for a meltdown
(People say)
That I'm sitting by the phone
(People say)
That I worry but no

This I know
She doesn't love you like I do
Yes, it's clear
She'll never love you like me

You people say
(You people say)
That I'm heading for a meltdown
(You people say)
That I'm just hanging by the phone
(You people say)

That I worry but no

I don't worry 'cause I know
(You people say)
I don't worry 'cause I know
(You people say)
Me and Armini
(You people say)
Me and Armini

Me and my Armini
(You people say)
Me and Armini
(You people say)
Me and my Armini
(You people say)
Me and Armini

Me and Armini
Me and Armini
Me and Armini
Me and Armini
Me and Armini
Me and my Armini
