#### **"The Wolf Song"**

Some say the wolves will change this time of year  
Their skin shed on the snow but they're not there  
Don't you fail  
Down that endless dream when you lay

Fickle as it seems, the sun will rise tomorrow  
Grains of sand keep carving out the rate  
Sleep, the day will soon be ending  
Sleep the day away

No, don't you waste your tears, someone's love will  
come to catch you  
Save them, you and me, as many as you can  
So you'd better hitch that ride, you better take it  
'Cause if you don't the wolves make you mad

Sleep tonight, my tired love  
Yes, I will keep your toys and keep them safely  
Underneath the mattress of my bed  
And if you ever come back, I'll be waiting

So don't you despair, no you can't, no you can't  
No you can't, oh no you can't  
No you can't, oh no you can't

Remember all you ever cared for  
School would never end when we were here  
Take it now, be happy as a flower  
I'll see you there beyond the clouds  
I'll see you there beyond the clouds
