One pill makes you larger
One pill makes you larger
And one pill makes you small

One pill makes you larger
And one pill makes you small
And the ones that mother gives you
Don't do anythin' at all
Go ask Alice when she's ten feet tall

And if you go chasin' rabbits
And you know you're goin' to fall
Tell him a hookah-smokin' caterpillar
Has given you the call
Call Alice when she was just small

When the men on the chessboard
Get up and tell you where to go
And you have just had some kind of mushroom
And your mind is movin' low
Go ask Alice, I think she'll know

When logic and proportion have fallen sloppy dead
And the White Knight is talkin' backwards
And the Red Queen's off with her head
Remember what the Dormouse said
"Feed your head, feed your head"

Feed your head, feed your head
Feed your head, feed your head
Feed your head, feed your head
Feed your head, feed your head

Feed your head, feed your head
Feed your head, feed your head
