Love is for singing this little tune
Love is for rhyming odd things and moon
Love is for writing songs that end in June
Love is for knowing I'll see you soon

Love is for writing songs with mushy lines
Love is for singing these lines in rhyme
Love is for making memories of time
Love is for knowing you'll soon be mine

CHORUS

Love is for silly silly things
That you never think of doing
And all in a sudden little
Things have bigger meanings
It's getting up at night
And climbing up a tree so high
And then you try and touch
The sky and you ask
Why, why, why, why...
It's getting up at night
And climbing up
A tree so high
And then you try
And touch the sky
And you ask

Love is for answering this crazy crazy
Questions Love is for getting to the answers
Through emotions 'Cause love is a wonder and it's thrill
When you're under
It's spell your hearts beating thunder
Because she's there ohh - hoooh -
Love is a wonder and it's a thrill when
You're under it's spell your hearts beating thunder
Because she's there

(Love is for singing)
(This little tune)
(Love is for knowing)
(I'll see you soon)

Let me tell you 'bout love
(Love is for singing)
(This little tune)
Let me tell you 'bout love
(Love is for knowing)
(I'll see you soon)
Let me tell you 'bout love...
