Somehow I know you like me too
But I can't seem to get to you
Oh girl I hope you want me too

[Chorus]
Say you do
Love me too

Look at what I'm going through
I just don't know what I should do
Girl I need you, give me a clue

[Repeat Chorus]

Say you do

[Repeat Chorus]

Say you do

So now I know you like me too
But I can't seem to get to you
Oh girl just say you want me too

[Repeat Chorus]

Say you do
