Now you are feeling
The torture you gave
Took to the grave

Devoid of body, just a soul
Now you can feel grace
True joy for real

The remembrance
Of a trueness within
The love that you gave
Took to the grave

In this love lies a strength
Now you can feel
Unless you caress
True joy for real

My body at rest
Yet I soar through the air
I never, ever felt so aware

On and on
The feeling goes
So let the passion reign

My body at rest
Yet I soar through the air, with you
I never, ever felt so aware
