Is this the real life-  
Is this just fantasy-  
Caught in a landslide-  
No escape from reality-  
Open your eyes  
Look up to the skies and see-  
I'm just a poor boy, I need no sympathy-  
Because I'm easy come, easy go,  
A little high, little low,  
Anyway the wind blows, doesn't really matter to me,  
To me

Mama, just killed a man,  
Put a gun against his head,  
Pulled my trigger, now he's dead,  
Mama, life had just begun,  
But now I've gone and thrown it all away-  
Mama ooo,  
Didn't mean to make you cry-  
If I'm not back again this time tomorrow-  
Carry on, carry on, as if nothing really matters-

Too late, my time has come,  
Sends shivers down my spine-  
Bodys aching all the time,  
Goodbye everybody-I've got to go-  
Gotta leave you all behind and face the truth-  
Mama ooo- (any way the wind blows)  
I don't want to die,  
I sometimes wish I'd never been born at all-

I see a little silhouetto of a man,  
Scaramouche, scaramouche will you do the fandango-

Thunderbolt and lightning-very very frightening me-  
Galileo, galileo,  
Galileo galileo  
Galileo figaro-magnifico-  
But I'm just a poor boy and nobody loves me-  
He's just a poor boy from a poor family-  
Spare him his life from this monstrosity-

Easy come easy go-, will you let me go-  
Bismillah! no-, we will not let you go-let him go-  
Bismillah! we will not let you go-let him go  
Bismillah! we will not let you go-let me go  
Will not let you go-let me go  
Will not let you go let me go  
No, no, no, no, no, no, no-  
Mama mia, mama mia, mama mia let me go-  
Beelzebub has a devil put aside for me, for me, for me-

So you think you can love me and leave me to die-  
So you think you can stone me and spit in my eye-  
Oh baby-cant do this to me baby-  
Just gotta get out-just gotta get right outta here-

Nothing really matters,  
Anyone can see,  
Nothing really matters-, nothing really matters to me,

Any way the wind blows...
