My heart is a weapon of war
My voice is my weapon of choice
An eye for an eye,
A heart for a heart,
A soul for a soul.
We fight for the dream,
We fight to the death,
We fight for control.

There is no such thing as justice,
All the best that we can hope for is revenge
A hostile takeover,
An absolute rebellion to the end.
This is our battle cry
Oh oh oh oh oh oh
I'm giving you a head start,
You're going to need it,
'Cause I fight like a girl

I'll get my revenge on the world or a least 49% of the people in it
And if I end up with blood on my hands,
Well, I know that you'll understand,
'Cause I fight like a girl.

I'll get my revenge on the world or a least 49% of the people in it
And if I end up with blood on my hands,
Well, I know that you'll understand,
'Cause I fight like a girl.

We are under attack
What is the body count?
I've lost track
If nobody's mentioned how this will end,
Then I'll be the first
there are more of us than there are of you,

So show me your worst

There is no such thing as justice,
All the best that we can hope for is revenge

A hostile takeover,
An absolute rebellion to the end.

This is our battle cry

Oh oh oh oh oh oh

I'm giving you a head start,

You're going to need it,

'Cause I fight like a girl

I'll get my revenge on the world or a least 49% of the people in it

And if I end up with blood on my hands,

well, I know that you'll understand,

'Cause I fight like a girl.

I'll get my revenge on the world or a least 49% of the people in it

And if I end up with blood on my hands,

Well, I know that you'll understand,

'Cause I fight like a girl.

It's so easy to kill,

This I learned by watching you

If I have to, I will,

It's not pretty but it's true

I am through lying still,

just a body to be

Beaten, fucked, and if I'm lucky, left for dead,

So who's scary now?

No mercy, it's a bit too late,

The game is on

Don't run, don't hide, don't wait

'Cause if we've got no honor,

Then we've got no shame,

If it's in self-defense,

Then we will take no blame

This is our battlecry

Oh oh oh oh oh oh

Even if you're only a boy,

you can

Fight like a girl

I'll get my revenge on the world or at least 49% of the people in it
And if I end up with blood on my hands
Well, I know, that you'll understand,
'Cause I fight like a girl.

I'll get my revenge on the world or at least 49% of the people in it
And if I end up with blood on my hands
Well, I know, that you'll understand,
'Cause I fight like a girl.

I'll get my revenge on the world or at least 49% of the people in it
And if I end up with blood on my hands
Well, I know, that you'll understand,
'Cause I fight like a girl.
