4 o'Clock

4 o'Clock

Never let me sleep

I close my eyes and pray

For the garish light of day

Like a frightened child I run

From the sleep that never comes

4 o'Clock

4 o'Clock

Out of bed I creep

To climb this tower of shame

But the hour's still the same

Only madness knows my name

At 4 o'Clock

4 o'Clock

4 o'Clock

Never let me sleep

I close my eyes and pray

For the garish light of day

Like a frightened child I run

From the sleep that never comes

4 o'Clock

4 o'Clock

Out of bed I creep

To climb this tower of shame

But the hour's still the same

Only madness knows my name

At 4 o'Clock

Why can we never go back to bed?

Whose is the voice ringing in my head?

Where is the sense in these desperate dreams?

Why should I wake when I'm half past dead?

Sure as the clock keeps its steady chime
Weak as I walk to its steady rhyme
Ticking away from the ones we love
So many girls, so little time

Why can we never go back to bed?
Whose is the voice ringing in my head?
Where is the sense in these desperate dreams?
Why should I wake when I'm half past dead?

Sure as the clock keeps its steady chime
Weak as I walk to its steady rhyme
Ticking away from the ones we love
So many girls, so little time

4 o'Clock
4 o'Clock
Never let me sleep
I close my eyes and pray
For the garish light of day
Like a frightened child I run
From the sleep that never comes

4 o'Clock
4 o'Clock
Out of bed I creep
To climb this tower of shame
But the hour's still the same
Only slumber never came
Only madness knows my name
At 4 o'Clock

Why can we never go back to bed?
Whose is the voice ringing in my head?
Where is the sense in these desperate dreams?
Why should I wake when I'm half past dead?

Sure as the clock keeps its steady chime
Weak as I walk to its steady rhyme
Ticking away from the ones we love

Why should I wake when I'm half past dead?

Sure as the clock keeps its steady chime
Weak as I walk to its steady rhyme
Ticking away from the ones we love
So many girls, so little time

Why can we never go back to bed?

Why can we never go back to bed?
