There was a little girl
who had a little curl
right in the middle of her forehead
and when she was good
she was very very good
but when she was bad
she was homicidal!

Hatchetâ€¦ CHECK!
Scalpelâ€¦ CHECK!
Rusty steel syringeâ€¦ CHECK!
It's time for war.
It's time for blood.
It's time forâ€¦ TEA!

One day that little girl
may find a filthy metal spike
and drive it right in the middle of your forehead,
for she and her friends this is very very good,
but for you the game is over, this is revolution!

Hatchetâ€¦ CHECK
Scalpelâ€¦ CHECK!
Amputation Sawâ€¦ CHECK!
It's time for war.
It's time for blood.
It's time forâ€¦ TEA!

We got the tools, we got the time,
We'll punish you
for your crimes against humanity.
There is always time for tea.
We've been trained by the very best,
we think you might just be impressed
Eradicate the enemy!
There is always time for tea!
Revenge is a dish that is best served now!

I am that little girl,
I have that little curl,
right in the middle of my forehead,

and when I am good I'm a pretty little thing,
but when I am bad I am fucking gorgeous!

Hatchet! CHECK!
Scalpel! CHECK!
Electroshock Machine! CHECK!
It's time for war
It's time for blood
It's time for TEA!

We got the tools, we got the time,
We'll punish you
for your crimes against humanity.
There is always time for tea.
We've been trained by the very best,
we think you might just be impressed
Eradicate the enemy!
Somewhere it's always time for TEA!
Eradicate the enemy!
Eradicate!

Revenge is a dish that is best served now.
