You were looking for someone to keep you warm, you  
found

Me

You were looking for someone to dry your tears, you  
found

Me

You were looking for someone to not be alone, you  
found

Me...

'Cause I'm the ice girl freezing you, I am the ice girl  
I am the ice girl freezing you, the ice girl  
I'm the ice girl freezing you to the bone... but now I'm  
Gone

You were looking for someone to comfort you, you  
found me

You were looking for someone to make you smile, you  
found

Me

You were looking for someone, for somebody... but not  
for

Me...

'Cause I'm the ice girl freezing you, I am the ice girl  
'Cause I'm the ice girl freezing you, I am the ice girl  
I'm the ice girl freezing you to the bone... but now I'm  
Gone

But now I'm gone...

I'm the ice girl freezing you to the bone... but now I'm  
Gone

But now I'm gone...
