En parallèle je vivais dans un estomac de baleine
Une sombre cavité de porcelaine
Je n'avais pas remarqué toutes ces chaînes attachées à mes poignets

You call the shots
You state the rules
You know the players and the players play it cool
You can't complain
You can't make a fuss
There's only one turn of the cards for fools like us
You turn the wheel
You throw the dice
You know the play and it ain't always nice

But you can't complain
You can't make a fuss
There's only one turn of the cards for fools like us

Je sens qu'ils m'appellent oui je sais qu'ils voudraient mon âme et mes veines
Même loin d'eux j'entends le chant des sirènes
Je n'ai pas pu oublier que dans cette arène on ne joue que pour gagner

You call the shots
You state the rules
You know the players and the players play it cool
But you can't complain
You can't make a fuss
There's only one turn of the cards for fools like us

You turn the wheel
You throw the dice
You know the play and it ain't always nice
But you can't complain
You can't make a fuss
There's only one turn of the cards for fools like us

You can't complain
You can't make a fuss
There's only one turn of the cards for fools like us
