Won't you open for me
The door to your ice world
To your white desert

I just want to stare
Out over these snowfields
Until we are one again
We belong to the frozen world

When the ice begins to thaw
Becomes the sea
Oh, you will see
How beautiful we can be

When the ice begins to thaw
Becomes the sea
Oh, you will see
How beautiful we can be
Everything is calm
At the end of the planet
In our white desert

The sun kissed the ice
It glistens for me
And we are one again
We belong to the frozen world

When the ice begins to thaw
Becomes the sea
Oh, you will see
How beautiful we can be

When the ice begins to thaw
Becomes the sea
