Help me fix the things that are broken
O-oh, before you leave
I've been trying to think it over
O-oh, I know it's time to grieve

I know you said nothing lasts
What a surprise to see the writing on the wall

How can I love you dear
When you break everything I do
How can I love you dear
When you break everything I do
O-Oh

Help me find the things that are missing
O-oh, I'm on my knees
Looking for a thousand pieces
O-oh, and my hand are full of dust

I know you said nothing lasts
What a surprise to see the writing on the wall

How can I love you dear
When you break everything I do

How can I love you dear
When you break everything I do

O-oh, the way I see you
Is not really the way you want me to
O-oh, the way I see you
O-oh, the way I see you
Is not really the way you want me to

How can I forgive you, my dear
When everything you touch is burning
How can I forgive you
How can I forgive you, my dear
When everything you touch is burning
How can I forgive you

O-oh, the way I see you
Is not really the way you want me to
O-oh, the way I see you
O-oh, the way I see you
Is not really the way you want me to
O-oh, the way I see you
