(Verse 1)

Don't u now  
U blong with me  
Should I leave it all up to u  
To guid me through  
Though all the rougher day  
But baby I'm just scared u wont want to  
Take my hand let me be yours

Cause me and u  
Are so ment to be  
And to the point I can't take it any longer  
Werent we so much stornger  
All there's left is good-bye so  
I don't want to leave  
So I'll will say

Me and u  
Were gonna stay  
Together  
Nobody could ever tell diffrent  
I now were not really same boy  
But I really don't care  
Cause u belong with me  
Oh I just don't wanna say good-bye  
Now we are owhh2x  
We are (gonna2x) stay together oh yeah  
Me and u  
Were gonna stay  
Together  
Nobody could ever tell diffrent  
I now were not really same boy  
But I really don't care

(Verse 2)

What if I see u  
And u just walk away  
And u run away with my heart  
Yeah yeah yeah  
You are the sweetest thing  
That's why I love u  
Your my everything I need

Your just what I want

Cause me and u  
Are so ment to be  
And to the point I can't take it any longer  
Werent we so much stornger  
All there's left is good-bye so  
I don't want to leave  
So I'll will say

(Chorus)

(Bridge)

Owhh uhh

I now were not really same boy

But I really don't care

Yeah yeah

(Chorus 2x)
