I should have known better  
To believe that it would wait  
I played by my heart forever  
And I learned the hard way  
Now I just don't look back  
Or it's gonna hurt so bad, but  
It's okay I'll take my chances  
Out on what I have to do  
But if my heart breaks  
I'll just try to pull through

(Chorus)

Just walk away  
Gotta say good-bye  
I don't want to now how it's gonna end  
But I need to go  
I hope you understand  
You'll always be in my heart  
I promise  
Just walk away  
I love you  
That's one thing I need to say  
But I don't know how to say  
Good-bye  
Just walk away

This is what has to go  
But I'd like you to know  
That when I'm gone I'm always thinkin of you  
But this how it's gonna be  
For you and me, baby  
If my luck had changed  
That would change everything  
I'm always doing the right thing  
I'm gonna do what I have to do  
And I'll pull through  
Cause I have to

(Chorus)

(Bridge)

I'm sorry, but it can never last forever

But all I know we will stay together  
Cause I can't take back  
All our love, but when my heart breaks  
I don't now what to do  
Leaving you is like a rainy day  
The tears come in down my face  
Just walk away

(Chorus)
