Oh when the punks go marching in, oh when the punks  
go marching in

I wanna be in that number when the punks go marching  
in.

Oh when the skins go marching in, oh when the skins  
go marching in

I wanna be in that number when the skins go marching  
in.

Oh when the pigs go marching in, oh when the pigs go  
marching in

I wanna be in that meat van when the pigs go marching  
in.

Oh when the wheels go marching in, oh when the  
wheels go marching in

I wanna be in that number when the wheels go  
marching in.
