I got something that id like to say
I got it and I wanna share
I'm gonna drink my weight in liquor
And I ant gonna care
I wanna get good and plastered baby
Then I wanna get mean
So feel free to start me honey
I'm an alchol fueled machine

Drink, Fight Fuck.
Let's go motherfuckers

Drink, Fight Fuck.
Lets go motherfuckers

Gonna drink goon straight outta the sack
I'm gonna hang out with mr beam
Mixing drink for better effects
Makes me good and mean
Then ts fisticuffs
With whoevers round me
And I dont really mind
Then I'm gonna get my woman
And fuck her while I'm fucking blind

Drink, Fight Fuck.
Lets go motherfuckers

Drink, Fight Fuck.
Lets go motherfuckers
