"Expecting To Fly"

There you stood on the edge of your feather
Expecting to fly
While I laughed I wondered whether
I should wave goodbye
Knowing that you'd gone

By the summer it was healing
We had said goodbye
All the years we'd spent with feeling
Ended with a cry
They ended with a cry
They ended with a cry

I tried so hard to stand
As I stumbled and fell to the ground
So hard to laugh as I stumble
And reached for the love I found
Knowing it was gone

If I never lived without you
Now you know I'd die
If I never said I loved you
Now you know I'd try
Babe, now you know I'd try
Babe, now you know I'd try
Babe
