The lack of light, hollow sea
Poison beaches, limousines
Toothless dentists, cops that kill

My baby's got the lonesome lows, don't quite go away
overnight
Doctor Blind, just prescribe the blue ones
If the dizzying highs don't subside overnight
Doctor Blind, just prescribe the red ones

Da da-da, da-da da-dum, da da-da
Ah ah-ah, ah-ah da-dum, ah-da-da da

Hard to hold, cold to touch
Fall to pieces, treat the rush
In hindsight, primetime talk

All your pain will end here
Let the doctor soothe your brain, dear

My baby's got the lonesome lows, don't quite go away
overnight
Doctor Blind, just prescribe the blue ones
If the dizzying highs don't subside overnight
Doctor Blind, just prescribe the red ones

Da, da-da-da, da da da da
Da-da-da-da-da-da da da
Da-ah-ah-ah

Mmm-mmm-mmm mmm-mmm-mmm, ah ah
Da-da-da-da-da-da da da
Da-da-da-da
Mmm-mmm-mmm mmm-mmm-mmm, ah ah
