Will you ever let me inside  
To hear the thoughts you keep tryin' to hide  
I'm so lost way back here without you  
I'm gonna have to walk away pretty soon

### CHORUS

I don't understand; I don't wanna know  
I used to be able to read you so well  
I can't even think; Something has changed  
Now I've forgotten how to breathe

No No, I've forgotten to breathe (2x)

### VERSE 2

It's not gonna to be easy to explain  
But I couldn't leave without saying goodbye  
It's hard on me to stay so calm like this  
There's so much about you that I'm gonna miss

### CHORUS

I don't understand, I don't wanna know  
I used to be able to read you so well  
I can't even think, something has changed

Now I've forgotten how to breathe

### BRIDGE

I should never think about the past no no  
It was obvious the way you felt  
I couldnt live without you without you, no no  
I'd do anything for you  
Don't you know that

### CHORUS

I dont understand; I dont wanna know  
I used to be able to read you so well  
I cant even think; Something has changed  
Now Ive forgotten how to breathe

I'm not living with regret  
Cuz i did everything for you  
It's not making sense in my head

No I don't know what is true

I dont understand; I don't wanna know  
I used to be able to read you so well  
I cant even think; Something has changed  
Now I've forgotten how to breathe
