Im lost inside with no way out
My heart and mind so filled with doubt
What am I supposed to see here
How do I figure it out

I I lost I ran away
I I lost I ran away

Now Im far too gone
Been gone too long
Now Im far too gone you know
And I let myself get way too far
Now Im far too gone
To let go

Will you ever let me go
Cuz I cant stand to be around myself anymore
This isnt fair what youve done to me
Now weve lost much more, weve lost much more
Then we had before

I I lost I ran away
I I lost I ran away

Will you give me a reason to look away
Could you tell me anything to ease my pain
Will you finally figure out what Im trynna say
Without you here its getting harder day by day

Im far too gone been gone to long now Im too far gone
you know
And I let myself get way too far now im far too gone

Im far too gone been gone too long
Now Im far too gone you know
And I let myself get way to far now Im far too gone
To let go

Im far too gone you know
