Iâ€™m back to the beginning
Iâ€™ve tried it all before
I thought it was a good idea
But now Iâ€™m not sure
I just canâ€™t find the effort
To make it through
Itâ€™s all too hard for me
I donâ€™t know what to do

What if, What if ,What if,
I lose in the end
What if I look back and see that this was my last chance
I donâ€™t want any regrets
I donâ€™t want to pretend
What if, What if, What if
I walk away from my last chance
Oh

Now itâ€™s time to make my decision
I could either walk away or
finish what I started
I donâ€™t think Iâ€™ll be good enough
To make it through
But if I let this pass me by
What else could I do

What if, What if ,What if,

I lose in the end
What if I look back and see that this was my last chance
I donâ€™t want any regrets
I donâ€™t want to pretend
What if, What if, What if
I walk away from my last chance

I donâ€™t want to lose
I donâ€™t want to fall
(Maybe this will be worth it all)
I want to be the one to succeed
Yeah

What if, What if ,What if,

I lose in the end
What if I look back and see that this was my last chance
I don't want any regrets
I don't want to pretend
What if, What if, What if
I walk away from my last chance

(My chance)
(My chance)
My last chance
(My chance)
My Last chance
(My chance)
