Second Avenue

Verse 1

I found a treasure  
One summer afternoon  
while at the market  
on second avenue

Went to the counter  
paid for my bag of food  
when I lifted my head  
all love has surrounded you

ooooohhhh oooooohhhh  
ooooohhhh oooooohhhh

Verse 2

Sell me an apple  
Sell me a point of view  
I'll give up the money  
just to be with you

Take me to your house  
Take me around the way  
I'll be on the corner  
during your lunch break  
be on the corner  
during your lunch break  
be on the corner  
during your lunch break
