

Emily Osment "Average Girl"

Visit "[Average Girl](#)" on [MotoLyrics.com](#)

February fourteen, you say you want to see me
I'm thinkin' chocolate and flowers
We meet for breakfast, I'm feeling restless
Been getting ready for hours
And you walk through the door, I go to give you a kiss
But you turn your head to avoid my lips
And who's this girl you're with?
Does this mean we're over, over?

I gave you my heart in a sweet love letter
But you gave it right back, said I like her better
And that's when my whole world came crashing down
And she's walkin' around like the girl of your dreams
With her Angelina lips, double zero jeans
I can't believe I didn't see this coming around
She's just so beautiful
I'm just an average girl

He says I'm sorry, I just keep smiling
Inside it feels like I'm broken
I say it's okay, Happy Valentines Day
Biggest lie I've ever spoken
They're walkin' out the door and I wave goodbye
As soon as they're gone
I start to cry, put my faith in the wrong guy
It's over, over

I gave you my heart in a sweet love letter
But you gave it right back, said I like her better
And that's when my whole world came crashing down
And she's walkin' around like the girl of your dreams
With her Angelina lips, double zero jeans
I can't believe I didn't see this coming around
She's just so beautiful
I'm just an average girl

And now they're gone and I feel fatal
Scratch his name out on the table
He's a jerk, he's a loser, he's a love abuser

February fourteen
I'm feeling sad and lonely

Nobody here wants to hold me

I gave you my heart in a sweet love letter
But you gave it right back, said I like her better
And that's when my whole world came crashing down
And she's walkin' around like the girl of your dreams
With her Angelina lips, double zero jeans
I can't believe I didn't see this coming around

I gave you my heart in a sweet love letter
But you gave it right back, said I like her better
And that's when my whole world came crashing down
She's just so beautiful
She's just so beautiful
She's so beautiful
I'm just an average girl
