Oh oh oh, Oh oh oh, Oh oh oh oh  
All I get from you is double (double) talk (talk)  
Every single day (day) Every word you say (say)  
When you move your mouth (mouth)  
That's all that comes out (out)  
Just a (just a) lot a (lot a)  
Double (double) talk (talk)

All I get from you is double (double) talk (talk)  
Every single time (time) Make me lose my mind (mind)  
When you move your lips (lips)  
All I'm hearing is (is)  
Just a lot a double (double) talk (talk), double talk  
Oh oh oh, Oh oh oh, Oh oh oh oh

Hey (Hey) get your story straight (straight)  
Baby hesitate, baby wait  
'Cause you know it's gonna blow up in your face (face)  
Every word last night (night)  
Don't give me those lies  
No surprise that I feel like a detective on a case  
I wish that I could trust you once again  
I wish that I could count you as a friend  
Flip it with the truth, Come on, It's me  
I need some honesty, yeah, honestly like

All I get from you is double (double) talk (talk)  
Every single day (day) Every word you say (say)  
When you move your mouth (mouth)  
That's all that comes out(out)  
Just a (just a) lot a (lot a)  
Double (double) talk (talk)

All I get from you is double (double) talk (talk)  
Every single time (time) Make me lose my mind (mind)  
When you move your lips (lips)  
All I'm hearing is (is)  
Just a lot a double (double) talk (talk), double talk  
Oh oh oh, Oh oh oh, Oh oh oh oh

All I get from you is double (double) talk (talk)  
Every single time (time) Make me lose my mind (mind)

When you move your lips (lips)  
All I'm hearing is (is)  
Just a lot a double (double) talk (talk, talk, talk)  
Just a lot a double (double) talk (talk, talk, talk)  
Just a lot a double (double) talk (talk) double talk
