Will you recognize me
In the flashing light?
I try to keep my heart beat
But I can't get it right

Will you recognize me
When I'm lying on my back?
Something's gone inside me
And I can't get it back

Oh heaven, oh heaven
I wait with good intentions
But the day it always lasts too long
They long gone
Oh heaven, oh heaven
I wait with good intentions
But the day it always lasts too long

They long gone
They long gone
They long gone
They long gone
[X2]

Will you recognize me
[..]
Will you recognize me
When I lose another friend?
Will you learn to leave me?
Oh, give me one more try again

Oh heaven, oh heaven
I wait with good intentions
But the day it always lasts too long
They long gone
Oh heaven, oh heaven
I wait with good intentions
But the day it always lasts too long

They long gone
They long gone

They long gone
They long gone
[X2]

Oh heaven, oh heaven
I wait with good intentions
[X3]

You say that you're away
I try but always break
'Cause the day always lasts too long

They long gone
They long gone
They long gone
They long gone

They long gone
They long gone

They long gone
They long gone
They long gone
They long gone
[X2]
