You say that you're never gonna leave me
Well two times that you tell me that you need me
Well this line is mine, just think about it
You don't know
You don't know
You don't know

Don't say you'll never find somebody like me
Well keep quiet baby, I don't wanna hear you speak
The words you say, they don't mean a thing
You don't know
You don't know
You don't know

Hush now baby, don't say a word
You better give it up or you're gonna get hurt
Hush now baby, don't say a word
You better give it up or you're gonna get hurt

You think I don't know
That you don't mean it
That you don't mean it
And you don't think it shows
That I still need it
That I still need it
You think I won't go
If you don't feel it
If you don't feel it
We fall in, fall out, we follow
Hush, hush, hush, don't say a word

Hey, you say I'm only hearing what I want to
But you don't wanna hear a word of how I need you
And I know we both don't hear a thing
You don't know
You don't know
You don't know

So don't say I need to learn to listen to you better
You pulled it away from me forever
I just can't get my head around it
You don't know

You don't knowÂ
You don't knowÂ

Hush now baby (Hush now baby) don't say a word
(Don't say a word)Â
You better give it up (You better give it up or you're
gonna get hurt) or you're gonna get hurt

Hush now baby (Hush now baby) don't say a word
(Don't say a word)Â
You better give it up or you're gonna get hurtÂ

You think I don't knowÂ
That you don't mean itÂ
That you don't mean itÂ
And you don't think it showsÂ
That I still need itÂ
That I still need itÂ
You think that I won't goÂ
If you don't feel itÂ
If you don't feel itÂ
Fall in, fall out, we followÂ
Hush, hush, hush, don't say a word (Say a word x6)Â

I know we can make life, make you againÂ
I know you wanna backtrack and start againÂ
I think you know I'm worth fighting forÂ
I think we should hush- don't say a wordÂ

I know we can make life, make you againÂ
I know you want to backtrack and start againÂ
I know you think that I'm worth fighting forÂ
I think we should hush- don't say a wordÂ

Hush now baby, don't say a wordÂ
You better give it up or you're gonna get hurtÂ
Hush now baby, don't say a wordÂ
You better give it up or you're gonna get hurtÂ

You think I don't knowÂ
That you don't mean itÂ
That you don't mean itÂ
And you don't think it showsÂ
That I still need itÂ
That I still need itÂ
You think that I won't goÂ
If you don't feel itÂ
If you don't feel itÂ
We fall in, fall out, we followÂ
Hush, hush, hush, don't say a wordÂ

Change my mind (Thought we were fine)Â
This is goodbye (Just one more try)Â
Won't change my mind (I thought we were fine)Â
This is goodbye (One more try)Â
Hush, hush, don't say a word
