Today, today  
All you see is ever changing  
All cause it ends all again, to you  
I try to be here for you

Decide what're you waiting for(what're you waiting for)  
Cause I don't think I can wait any more  
Decide what're you waiting for(what're you waiting for)  
Come on, come on  
Yeah

Today, today  
Everything you say is maybe, I would never know  
If you're here, to stay  
I see right through you

Decide what're you waiting for(what're you waiting for)  
Cause I don't think I can wait any more  
Decide what're you waiting for(what're you waiting for)  
Come on, come on  
Yeah

Decide what're you waiting for(what're you waiting for)  
Cause I don't think I can wait any more  
Decide what're you waiting for(what're you waiting for)  
Come on, come on  
Yea-hea

Try to run away  
All you try to break  
I'm still waiting,  
Here for you  
And I,  
Let you for one day  
But now the time to change  
I'm still waiting... still waiting

Decide what're you waiting for(what're you waiting for)  
Cause I don't think I can wait any more  
Decide what're you waiting for(what're you waiting for)  
Come on, come on

Yeah

Decide what're you waiting for(what're you waiting for)  
Cause I don't think I can wait any more  
Decide what're you waiting for(what're you waiting for)  
Come on, come on  
Yeah

Come on, come on  
Yeah

Come on, come on  
Yeah-h-h
