I'll tell you how it is,
I never wanted to be here with you
And now I think of you,
It's all that I can do...
You make me crazy

And it's so,
So hard to do
And I don't even want to
The reason,
I told you
It's all the truth

I needed you
Can't you see it in my eyes?
And you feel it too
Don't you wanna be with me?
I needed you
Can't you see it in my eyes?
And you know the truth
Don't you know I'm in...
I'm in denial

I-I-I I'm in denial

And now I've said it all
Just sitting by this phone and waiting for you
And got it covered in
To make you wanna say you make me crazy

It's not what
I'm used to
Yeah I say like it's, baby
Don't push me
I'm thinkin' to know the truth

I needed you
Can't you see it in my eyes?
And you feel it too
Don't you wanna be with me?
I needed you

Can't you see it in my eyes?
And you know the truth
Don't you know I'm in...
I'm in denial

I-I-I I'm in denial
I-I-I I'm in denial

I'll tell you how it is,
I never wanted to be here with you

I'll tell you how it is,
I never wanted to be here with you

And know I think of you
It's all that I can do,
You make me crazy...

I needed you
Can't you see it in my eyes?
And you feel it too
Don't you wanna be with me?
I needed you
Can't you see it in my eyes?
And you know the truth
Don't you know I'm in...
I'm in denial

I needed you
Can't you see it in my eyes?
And you feel it too
Don't you wanna be with me?
And I needed you
Can't you see it in my eyes?
And you know the truth
Don't you know I'm in...
I'm in denial

I-I-I I'm in denial
