I wake up with the mornin' Sun, and think about you  
I flip the radiator on, and think about you  
This song is going around my head, it's all about you  
I'm acting like a love sick chic, with nothing to do

I dream of love  
What you do to me  
I'm inside out  
This obsession

Hold on a reason why my grip is slippin'  
And my mind is failing out  
But my heart keeps repeating...  
I'm not... in love  
So how come I can't breath without you?  
I'm not... in love  
So how come I act tense around you?

Go on now  
Get out of my head  
Let me be myself again  
Don't want you  
Don't crave you  
I swear I'm not  
I'm really not in love

The moon is starting to ascent  
I think about you  
I'm almost tempted to confess  
But there's so much to lose  
My independence  
My sanity too  
If I tell myself "enough"  
Maybe it'll be true

It's no big thing, think I'll leave it  
Yeah  
You don't come true  
My emotions

I'm hanging on a reason, why my grip is slippin'

And I'm all stung out  
I jus' keep repeating  
I'm not... in love  
So how come I can't breath without you?  
I'm not... in love  
So how come I act tense around you  
Go on now  
Get out of my head  
Let me be myself again  
Don't want you  
Don't crave you  
I swear I'm not, I'm really not in love

Oh oh oh  
It's all an illusion  
Oh oh oh  
Wrapped up in confusion  
But who am I fooling?  
I'm not... in love  
I'm not... in love

And I'm not... in love  
So how come I can't breath without you?  
I'm not... in love  
So how come I act tense around you?  
Go on now  
Get out of my head  
Let me be myself again  
Don't want you  
Don't crave you  
I swear I'm not, I'm really not in love

And I'm not... in love  
I'm not... in love  
Go on now  
Get out of my head  
Let me be myself again  
Don't want you  
Don't crave you  
I swear I'm not, I'm really not in love!
