La la la la la la la la la la  
I'm bored, it's Friday night  
And I know it ain't lady-like  
So I'm not gonna make the first move  
Yeah I'm leavin it all up to you  
Get a good buzz on  
Have fun til it's dawn  
Let's not let it get away

You're lookin at me and I'm lookin at you  
Starin too long across the room  
Let's do this thing  
Well what's your name  
And where're you from  
So you like beer well I like rum  
Don't want a diamond ring  
It's funny I never drink  
Whoa maybe it's crazy but baby  
Let's do this thing

I like the way you are  
You got style, you got a southern draw  
Yeah we're both on a mission  
It could be a total collision  
I can see what you're saying  
With those eyes you're makin  
Come on and say hello already

Cause you're lookin at me and I'm lookin at you  
Starin too long across the room  
Let's do this thing  
Well what's your name  
And where're you from  
So you like beer well I like rum  
Don't want a diamond ring  
It's funny I never drink  
Whoa maybe it's crazy but baby  
Let's do this thing

C'mon

Maybe we should close our tab

Maybe we should catch a cab

You're lookin at me and I'm lookin at you

Starin too long across the room

Let's do this thing

Well I got your name

Now what's your sign

Come on baby it ain't like I want a diamond ring

It's funny I never drink

Whoa

Maybe it's crazy but baby let's do this

Maybe it's crazy baby let's do this

Maybe it's crazy but baby let's do this thing (Yeah)
