It keeps running down the tear-stained face of this
lonely town
And I drown
And I keep reaching for one good reason why you said
goodbye
And turned around
Oh your leavin' me in this empty state
And all I see are dark clouds as you drive away

Mississippi's cryin' baby
Mississippi's sad
I think we just figured out
That you ain't comin' back
The sky can see you leavin'
And it can't hold back the tears
Oh it's pourin' down and my heart thinks it's dyin'
Mississippi's cryin'
Mississippi's cryin'

The night keeps looking for headlights shining in this
driveway
But they don't shine
And I keep thinkin' this crazy storm will drive you
home
But not this time
Oh my only wish is to change the weather
Are you comin' back or is it gonna rain forever
Mississippi's cryin' baby
Mississippi's sad
I think we just figured out
That you ain't comin' back
The sky can see you leavin'
And it can't hold back the tears
Oh it's pourin' down and my heart thinks it's dyin'
Mississippi's cryin'
Mississippi's cryin'

Where you goin' baby?
What's in Tennessee?
You never said a word about Memphis
So who is she?

It keeps running down the tear-stained face of this
lonely town
And I drown

Mississippi's cryin' baby
Mississippi's sad
I think we just figured out
That you ain't comin' back
The sky can see you leavin'
And it can't hold back the tears
Mississippi, Mississippi
Mississippi's cryin'
Mississippi's cryin'
