Kako koji dan prolazi
mnoge su mi stvari jasnije
svaki novi koji dolazi
izgleda opasnije

Ti si bio utjeha za sve
ti si bio moja potreba
trebao si samo
jednu riječ il' dv'je
a rek'o si da ne treba

Hej ostani, hej ostani
ostani
hej samo moj
hej samo moj postani

U la la, u la la
nikad viđe neću biti
budala, budala
kakva sam bila ja
u la la la, la la

But you're still my girl, right

You're my girl
cuz you rocks my world
Love you oh so much
Deserve diamonds and pearls

By my side, ride or die
baby boo
please, please
forgive me for the lies

Just too much
the love can't be touched

I'm dyin' for real
girl, you know what's up

Lost I was
but you showed me the way
Without you in my life
I never know better days

Ti si bio utjeha za sve
ti si bio moj alkohol, alkohol
trebala sam samo
jednu rijeÄ il' dv'je
a dobila sam bol

Don't work like that
though
