Mentally ill from Amityville  
Accidentally kill your family still  
Thinkin' he won't? God-damnit he will  
Mentally ill from Amityville

I get lifted and spin till I'm half-twisted  
Feet planted and stand with a grin full of chapped  
lipstick  
Pen full of ink, think sinful and rap sick shit  
Shrink pencil me in for my last visit  
Drink gin till my chin's full of splashed whiskers  
Hash whiskey and ash till I slap bitches  
Ask Bizzy, he's been here the past six years  
Mash with me you'll get in imagine this

Mentally ill from Amityville  
Accidentally kill your family still  
Thinkin' he won't? God-damnit he will  
Mentally ill from Amityville

Mentally ill from Amityville  
Accidentally kill your family still  
Thinkin' he won't? God-damnit he will  
Mentally ill from Amityville

I fucked my cousin in his asshole, slit my mother's  
throat  
Guess who Slim Shady just signed to Interscope?  
My little sister's birthday, she'll remember me  
For a gift I had ten of my boys take her virginity  
And bitches know me as a horny-ass freak  
Their mother wasn't raped, I ate her pussy while she  
was 'sleep  
Pissy-drunk, throwin' up in the urinal

"You fuckin' homo", that's what I said at my dad's funeral

Mentally ill from Amityville  
Accidentally kill your family still  
Thinkin' he won't? God-damnit he will  
Mentally ill from Amityville

Mentally ill from Amityville  
Accidentally kill your family still  
Thinkin' he won't? God-damnit he will  
Mentally ill from Amityville

That's why the city is filled  
With a bunch of fuckin' idiots still  
That's why the first motherfucker poppin'  
Some shit he gets killed  
That's why we don't call it Detroit  
We call it Amityville  
You can get capped after just havin' a cavity filled

That's why we're crowned the murder capital still  
This ain't Detroit, this is motherfuckin' Hamburger Hill!  
We don't do drivebys, we park in front of houses and shoot  
And when the police come we fuckin' shoot it out with them too  
That's the mentality here, that's the reality here  
Did I just hear somebody say they wanna challenge me here?

While I'm holdin' a pistol with this many calibres here?  
Plus some registration that just made this shit valid this year?  
'Cause once I snap I can't be held accountable for my actions  
That's when accidents happen  
When a thousand bullets come at your house  
And collapse the foundation around you  
And they found you and your family in it  
God damnit he meant it when he tells you

Mentally ill from Amityville  
Accidentally kill your family still  
Thinkin' he won't? God-damnit he will  
Mentally ill from Amityville

Mentally ill from Amityville  
Accidentally kill your family still  
Thinkin' he won't? God-damnit he will  
Mentally ill from Amityville

Dum, tah-dum  
Ta-dah-da, dum, tah-dum  
Ta-dah-da, dum, tah-dum  
Ta-dah-da, dum, tah-dum

Ta-dah-da, dum, tah-dum  
Ta-dah-da, dum, tah-dum  
Ta-dah-da, dum, tah-dum  
Ta-dah-da, dum, tah-dum  
Ta-dah-da, dum
