[Eminem]

Your style is generic
Mine's authentic made
I roll like a renegade
You need clinic aid
My techniques bizzare an ill
I scar and kill
You were a star until i served you like a bar and grill
Now I proceed to cook and grill ya
That's all it took to kill ya
You better recognize me like i look familiar
You wanna battle?
You beat around the bush
Like you scared to lick pussy so eat around the tush
I need a clown to push
Someone that I can bully
Wait a minute I don't think you understand fully
See me without a style is like mustard without the Heinz
I lead the new school, you're a Busta without the
Rhymes
I'll crush the shit out your lines

[Big Dude]

Now i'm the rashiki smokin the lick lick
10 freaky girls inside the chin tiki
Girl when you see me you better believe me
This aint a game and pimpin aint easy
Anything goes when it comes to hoes
Im the king pin when it comes to flows
You betta ask someone if you don't know
When you see me girl say wat up dogg
10 freaky girls, 10, 10, 10 freaky girls
