Baby, your da-da loves you  
And I'ma always be here for you no matter what  
happens  
You're all I got in this world  
I would never give you up for nothin'  
Nobody in this world is ever gonna keep you from me  
I love you

Come on Hai-Hai, we goin' to the beach  
Grab a couple of toys and let da-da strap you in the car  
seat  
Oh, where's mama? She's takin' a little nap in the trunk  
Oh, that smell, da-da musta runned over a skunk  
Now I know what you're thinkin', it's kind of late to go  
swimmin'  
But you know your mama, she's one of those type of  
women  
That do crazy things and if she don't get her way, she'll  
throw a fit  
Don't play with da-da's toy knife, honey, let go of it

And don't look so upset, why you actin' bashful?  
Don't you wanna help da-da build a sand castle?  
And mama said she wants to show how far she can  
float  
And don't worry about that little boo-boo on her throat  
It's just a little scratch, it don't hurt  
Her was eatin' dinner while you were sweepin'  
And spilled ketchup on her shirt  
Mama's messy, isn't she? We'll let her wash off in the  
water  
And me and you can play by ourselves, can't we?

Just the two of us  
Just the two of us  
And when we ride  
Just the two of us  
Just the two of us  
Just you and I

Just the two of us  
Just the two of us

And when we ride  
Just the two of us  
Just the two of us  
Just you and I

See honey, there's a place called Heaven and a place  
called Hell  
A place called prison and a place called jail  
And da-da's probably on his way to all of 'em except  
one  
'Cause mama's got a new husband and a stepson  
And you don't want a brother do ya?  
Maybe when you're old enough to understand a little  
better  
I'll explain it to ya but for now we'll just say mama was  
real, real bad  
Was bein' mean to dad and made him real, real mad

But I still feel sad that I put her on time-out  
Sit back in your chair, honey, quit tryin' to climb out  
I told you it's okay Hai-Hai, wanna ba-ba?  
Take a night-night? Nan-a-boo, goo-goo ga-ga?  
Her make goo-goo ca-ca? Da-da change your dia-dee  
Clean the baby up so her can take a nighty-nighty  
Your dad'll wake her up as soon as we get to the water  
'97 Bonnie and Clyde, me and my daughter

Just the two of us  
Just the two of us  
And when we ride  
Just the two of us  
Just the two of us  
Just you and I

Just the two of us  
Just the two of us  
And when we ride  
Just the two of us  
Just the two of us  
Just you and I

Wake up, sweepy head, we're here, before we play  
We're gonna take mama for a wittle walk along the pier  
Baby, don't cry, honey, don't get the wrong idea  
Mama's too sweepy to hear you screamin' in her ear  
That's why you can't get her to wake, but don't worry  
Da-da made a nice bed for mommy at the bottom of  
the lake  
Here, you wanna help da-da tie a rope around this  
rock?  
We'll tie it to her footsie then we'll roll her off the dock

Ready now, here we go, on the count of free  
One, two, free, whee  
There goes mama, spwashin' in the water  
No more fightin' wit' dad, no more restraining order  
No more step-da-da, no more new brother  
Blow her kisses bye-bye, tell mama you love her  
Now we'll go play in the sand, build a castle and junk  
But first, just help dad with two more things out the trunk

Just the two of us  
Just the two of us  
And when we ride  
Just the two of us  
Just the two of us  
Just you and I

Just the two of us  
Just the two of us  
And when we ride  
Just the two of us  
Just the two of us  
Just you and I

Just me and you baby  
Is all we need in this world  
Just me and you  
Your da-da will always be here for you  
Your da-da's always gonna love you  
Remember that

If you ever need me I will always be here for you  
If you ever need anything, just ask  
Da-da will be right there  
Your da-da loves you  
I love you, baby
