Jus the two of us . . . (8X)

Baby your da-da loves you
(hey)
And I'ma always be here for you
(hey)
no matter what happens
You're all I got in this world, I would never give you up
for nothin'
Nobody in this world is ever gonna keep you from me
I love you

C'mon, Hai-Hai, we goin to the beach
Grab a couple of toys and let Da-da strap you in the car
seat
Oh where's Mama? She's takin' a little nap in the trunk
Oh that smell
(whew!)
Da-da musta runned over a skunk
Now i know what your thinkin'-it's kindof late to go
swimmin'
But you know your mama, she's one of those type of
women
That dp crazy things, and if she don't get her way she'll
throw a fit
Don't play with Da-da's toy knife, honey, let og of it
(no!)
And don't look so upset, why you actin' bashful?
Don't you wanna help Da-da build his sand castle?
(yeah!)
And Mama said she wants to show you how far she can
float
And don't worry about that little boo-boo on her throu
It's just a little scratch-it don't hurt, her was eatin'
dinner
While you were sweepin' and spilled ketchu on her shirt
Mama's messy, ain;t she
? We'll let her wash off in the water
And me and you can pway by ourselves, can't we?

(chorus)

Just the two of us . . . (2X)
And when we ride!
Just the two of us . . . (2X)
Just you and I!
(Repeat)

See, honey . . . there's a place called heaven and a
place called hell
A place called prison and a place called jail
And Da-da's probably on his way to all of 'em except
one
'Cause Mama's got a new husband and a stepson
And you don't want a brother do ya?
(Nah)
Maybe when you're older
