[Chorus - Hayley Williams]

Can we pretend that airplanes in the night sky are like
shooting stars

I could really use a wish right now, wish right now, wish
right now

Can we pretend that airplanes in the night sky are like
shooting stars

I could really use a wish right now, wish right now, wish
right now

[Bridge]

Dreaming.

(oh oh oh oh)

Of falling (mmm mmm mmm mmm)

Dreaming (ooh oh oh oh)

[B.o.B - Verse 1]

(ya) Lets pretend like itâ€™s 98

like iâ€™m eating lunch off of styrofoam trays

trying to be the next rapper comin out the A (A-town)

Hoping for a record deal to ignore my pain (ya)

now lets pretend like iâ€™m on the stage

and when my beat drops everybody goes insane (woo)

okay

and everybody know my name and everywhere I go

people wanna hear me sing (oh)

oh yeah and I just dropped my new album on the first

week I did Five-Hundred Thousand

gold in the spring and diamond in the fall and then a

world tour just to top it all off

and lets pretend like they called me the greatest

selling out arenas with big ass stages

and everybody loved me and no-one ever hated

lets try to use imagination

[Chorus]

[B.o.B - Verse 2]

Okay lets pretend like this never happened (never)

like I never had dreams of being a rapper (rapper)

like I didnâ€™t write raps up in all of my classes

like I never used to run away into the blackness

now lets pretend like it was all good (good) like i
didn't live staring in a notebook (notebook)
like I did the things that i probably knew i should
(should)
but li aint have neighbours thats why they call it hood
(hood yeah)
now lets pretend like i aint got a name before they ever
call me BOB aka Bobby ray
i'm talking back before the mixtapes (yeah) before
the videos and the deals and the fame
before the ever once compared me to Andre before i
ever got on Myspace
before they ever noticed my face so lets just pretend
and make wishes out of airplanes

[Chorus]

[Bridge II]

and it seems like yesterday it was just a dream
but those days are gone (gone gone) and just
memories
(oh oh)
and it seems like yesterday it was just a dream
but those days are gone (gone gone)

[Eminem]

allright lets pretend Marshall Mathers never picked up
a pen
lets pretend things would have been no different
pretend he procrastinated had no motivation
pretend he just made excuses that were so paper thin
they could blow away with the wind
marshall you're never gonna make it makes no
sense to play the game there ain't no way that
you'll win
pretend he just stayed outside all day and played with
his friends
pretend he even had a friend to say was his friend
and it wasn't time to move and schools were
changing again
he wasn't socially awkward and just strange as a
kid
he had a father and his mother wasn't crazy as sh-t
and he never dreamed he could rip stadiums and just
lazy as sh-t
f-ck a talent show in a gymnasium bitch you won't
amount to sh-t quit daydreaming kid
you need to get your cranium checked you thinking like
an alien it just ain't realistic
now pretend they ain't just make him angry with
this sh-t and there was no one he could even aim when

heâ€™s pissed it
and his alarm went off to wake him off but he
didnâ€™t make it to the rap Olympics slept through his
plane and he missed it
heâ€™s gonâ€™ have a hard time explaining to Hailey
and Laney these food stamps and this WIC sh-t
cuz he never risked shit he hopes and he wished it but
it didnâ€™t fall in his lap so he ainâ€™t even here
he pretends thatâ€¦

[Hayley Williams]

Airplanes in the night sky like shooting stars
I could really use a wish right now wish right now wish
right now
Can we pretend that airplanes in the night sky are like
shooting stars
I could really use a wish right now wish right now wish
right now

Uh hmm oh oh oh ooo

Uhu mm aalalalaa
