[T.I.]

Now I don't really care what you call me  
Just as long as you don't call me rude  
I bet they knew as soon as they saw me  
"Goodnight it's over with" that's all she wrote  
Streets like cold Chicago  
ain't nothing new I've seen it all before  
but still I ball like no tomorrow  
goodnight it's over with that's all she wrote  
all she wrote, all she wrote  
I said it's over with that's all she wrote  
Goodnight its over with that's all she wrote

[T.I Verse 1]

It's stupid how I'm going on  
everybody knowing that  
I'm sewing up the game,  
destroying like they hate me for it  
eventually see they can't beat than with me they join  
others sworn under oath, or  
banished left completely scorn  
you tell lies, get caught, n-gga kick rocks  
you never did blend in with the big shots  
on the fast track, ain't no need for pitstops  
I just laugh at, n-gga wishing it was this hot  
guess they mad at me huh, really pissed off  
better that than pissed on  
I'm the Jetsons, you the Flintstones catch me in the end  
zone  
high stepping prime time  
thought you n-ggas been on  
ain't blocking my shine  
like mt new air Yeezy's, you can see me in the night  
time  
I get rich off living life, you check to check reciting  
ryhmes  
so call me what you want, wanna hate, have a nice time  
while I get stupid paper, hey my dough ain't in it's right  
mind (mind, mind)

[Chorus]

Now I don't really care what you call me

Just as long as you don't call me rude  
I bet they knew as soon as they saw me  
"Goodnight it's over with" that's all she wrote  
Streets like cold Chicago  
ain't nothing new I've seen it all before  
but still I ball like no tomorrow  
goodnight it's over with that's all she wrote

[Eminem Verse 2]

Your staring straight into a barrel of hate  
Terrible fate,  
Not even a slim chance to make a narrow escape  
Cupid shot his arrow and missed  
Wait Sarah you're late, your train left  
Mascara and egg smeared on your face  
Nights over goodbye, hoe  
I thought that I told ya' the spilled nut ain't nothing to  
cry over  
never shoulda' came within range of rover  
shoulda' known I was trouble soon as I rolled up  
Any chick who's coming up after I blind fold her,  
She still comes back to my crib,  
Must want me to mess with her mind, hold up  
She must've took me for some high roller  
But I won't buy her a soda  
Unless it's rock n' roll cola  
Buy you a bag of fritos I wouldn't let you eat the fucking  
chip on my shoulder  
If you was bleach and I was hair I wouldn't die for ya  
tryna pull 5 bucks from me is like tryna pulling 5 molar  
you get your eyes swole up I'm on my straight grizzly  
so why would I buy you a gay ass teddy you're already  
bi-polar

[Chorus 2 Eminem]

Now I don't really care what you call me  
you can even call me cold  
these bitches know as soon as they saw mw  
it's never me to get the privilege to know 'em

I roll like a desperado, now I never know where I'm  
gonna go still I ball I there's no tomorrow  
Until it's over that's all she wrote

[T.I Verse 3]

The credit roller, curtain closer, movie over with  
But don't get mad at me  
go blame the chick who wrote this shit  
ya life is sure a bitch  
but she know I'm rich  
that why she give me what I want

and I just throw her dick  
here I go again,  
I kick this shit, give a damn, got it pouring in  
Peso, Euro, yeah, ah ha. I'm paid  
never gon be broke agian  
see me posted in anything,  
wearing any chain  
never gon see me toting anything  
all you gon see is BANG!  
It's so nice where i kick it  
hate you never get to visit  
yeah I'm on another level  
but you n-ggas still can get it  
it's all over 'fore you finish  
sorry bro this road we end it  
won't give you the satisfaction of me giving you the  
business

[Eminem]

Yeah I guess life is a bitcha ain't it  
TIP  
and this one can say this shit  
shirt off my back, I wouldn't give you the dirt off my  
handkerchief  
I'm giving these hoes a dose of there own medicine  
let em get a good taste of it  
I'm sure you got that relationship memp by now  
but in case you didn't  
this is so bad, better stick your nose to your forehead  
and staple it  
life is too short and i got no time to sit around just  
wasting it  
so i pace this shit a little bit quicker  
that clock come racing in double time in it  
but I still spit triple the amount of insults in a tenth of  
the time  
it may take you pricks to catch on while you strong arm  
like stretch Armstrong  
man I still say K-mart's like theres an apostrophe-S on it  
dog  
and they say McDonalds isn't a restaurant well I guess  
I'm wrong  
but if you gon tell me that the A&W ain't the spot for the  
best hot dogs you can get the "F" on dawg

[T.I Bridge]

and on my throne i remain, all alone in my lane  
I'm as strong as they came  
they were gone 'fore they came  
now I don't wanna hang, I slap fire with them rap guys  
they just wanna sabotage my hustle shawty that's why

[Eminem]

Now I don't really care what you call me  
you can even call me cold

[T.I.]

I bet they knew as soon as they saw me  
Goodnight it's over with, that's all she wrote

[Eminem]

I roll like a desperado, now  
I never know where I'm gonna go

[T.I.]

But still I ball like there's no tomorrow  
Good night it's over with that's all she wrote  
i said it's over with  
that's all she wrote, all she wrote, all she wrote,  
"Goodnight it's over with" that's all she wrote
