Mentally ill from Amityville  
Accidentally kill your family still  
Thinkin' he won't? God-damnit he will  
Mentally ill from Amityville

I get lifted and spin 'til I'm half twisted  
Feet planted and stand with a grin full of chapped  
lipstick  
Pen full of ink, think sinful and rap sick shit  
Shrink pencil me in for my last visit

Drink gin 'til my chin's full of splashed whiskers  
Hash whiskey and ash 'til I slap bitches  
Ask Bizzy, he's been here the past six years  
Mash with me you'll get in imagine this

Mentally ill from Amityville  
Accidentally kill your family still  
Thinkin' he won't? God-damnit he will  
Mentally ill from Amityville

Mentally ill from Amityville  
Accidentally kill your family still  
Thinkin' he won't? God-damnit he will  
Mentally ill from Amityville

I fucked my cousin in his asshole, slit my mother's  
throat  
Guess who Slim Shady just signed to interscope?  
My little sister's birthday, she'll remember me  
For a gift I had ten of my boys take her virginity

And bitches know me as a horny ass freak  
Their mother wasn't raped, I ate her pussy while she  
was 'sleep  
Pissy drunk, throwin' up in the urinal  
(You fuckin' homo)  
That's what I said at my dad's funeral

Mentally ill from Amityville  
Accidentally kill your family still  
Thinkin' he won't? God-damnit he will

Mentally ill from Amityville  
Mentally ill from Amityville  
Accidentally kill your family still  
Thinkin' he won't? God-damnit he will  
Mentally ill from Amityville

That's why the city is filled with a bunch of fuckin' idiots  
still  
That's why the first motherfucker poppin' some shit he  
gets killed  
That's why we don't call it Detroit, we call it Amityville  
You can get capped after just havin' a cavity filled

That's why we're crowned the murder capital still  
This ain't Detroit, this is motherfuckin' Hamburger Hill  
We don't do drivebys, we park in front of houses and  
shoot  
And when the police come we fuckin' shoot it out with  
them too

That's the mentality here, that's the reality here  
Did I just hear somebody say they wanna challenge me  
here  
While I'm holdin' a pistol with this many calibres here  
Plus some registration that just made this shit valid this  
year

'Cause once I snap I can't be held accountable for my  
actions  
That's when accidents happen when a thousand bullets  
Come at your house and collapse the foundation  
around you  
And they found you and your family in it  
God-damnit he meant it when he tells you

Mentally ill from Amityville  
Accidentally kill your family still  
Thinkin' he won't? God-damnit he will  
Mentally ill from Amityville

Mentally ill from Amityville  
Accidentally kill your family still  
Thinkin' he won't? God-damnit he will  
Mentally ill from Amityville
