[Eminem]

Hi!

Original Bad Boy on the case, cover your face  
Came in the place blowed, and sprayed Puffy with  
Mase

I laced the weed with insect repellent, better check the  
smelly

Eminem starts with E, better check the spelling  
With a capital, somebody grab me a Snapple  
I got an aspirin capsule trapped in my adam's apple  
(hurry up!)

Somebody dropped me on my head, and I was sure  
That my mother did it, but the bitch won't admit it was  
her

I slit her stomach open with a scalpel when she was six  
months

And said, "I'm ready now bitch - ain't you feelin these  
kicks cunt?"

The world ain't ready for me yet, I can tell  
I'll probably have a cell next to the furnace in hell  
I'm sicker than sperm cells with syphilis germs  
And I'm hotter than my dick is, when I piss and it burns  
I kick you in the tummy until you sick to your stomach  
And vomit so much blood that your clothes stick to you  
from it (yuck!)

(Yuck!) Hit you in the head with a brick til you plummet  
If y'all don't like me, you can suck my dick til you numb  
it

And all that gibberish you was spittin, you need to kill it  
Cause your style is like dyin in my sleep, I don't feel it

[Chorus (Eminem):]

Cause any man who would jump in front of a minivan  
For twenty grand and a bottle of pain pills and a  
minithin

Is fuckin crazy -- you hear me? Ha?

Is fuckin crazy -- hello, hi!

Cause any man who would jump in front of a minivan  
For twenty grand and a bottle of pain pills and a  
minithin

Is fuckin crazy -- do you hear me?

Is fuckin crazy

[Eminem]

I'm ice grillin you, starin you down with a gremlin grin  
I'm Eminem, you're a fag in a women's gym  
I'm Slim, the Shady is really a fake alias  
To save me with in case I get chased by space aliens  
A brainiac, with a cranium packed, full of more uranium  
Than a maniac Saudi Arabian  
A highly combustible head, spazmatic  
Strapped to a Kraftmatic adjustable bed  
Laid up in the hospital in critical condition  
I flatlined; jumped up and ran from the mortician  
High speed, IV full of thai weed  
Lookin Chinese, with my knees stuck together like  
siamese  
Twins, joined at the groin like lesbians  
Uhh, pins and needles, hypodermic needles and pins  
I hope God forgives me for my sins -- it probably all  
depends  
On if I keep on killin my girlfriends

[Chorus: Eminem]

Cause any man who would jump in front of a minivan  
For twenty grand and a bottle of pain pills and a  
minithin  
Is fuckin crazy -- you hear me? Ha?  
Is fuckin crazy -- listen!!  
Cause any man who would jump in front of a minivan  
For twenty grand and a bottle of pain pills and a  
minithin  
Is fuckin crazy -- you hear me?  
Is fuckin crazy

[Eminem]

Last night I O.D.'d on rush, mushrooms and dust  
And got rushed to the hospital to get my system  
flushed  
(Shucks!) I'm an alcoholic and that's all I can say  
I call in to work, cause all I do is frolic and play  
I swallow grenades, and take about a bottle a day  
Of Tylenol 3, and talk about how violent I'll be  
(RRARRRRH)  
Give me eleven Excederin my head'll spin  
Medicine'll get me revvin like a 747 jet engine  
Scratched my balls til I shredded skin  
"Doctor, check this rash, look how red it's been"  
"It's probably AIDS!" Forget it then  
I strike a still pose and hit you with some I'll flows  
That don't even make sense, like dykes usin dildos  
So reach in your billfolds, for ten ducats

And pick up this Slim Shady shit that's on Rawkus  
Somethin somethin somethin, somethin I get weeded  
My daughter scribbled over that rhyme, I couldn't read  
it  
Damn!

[Chorus (Eminem)]

Something's not right  
I'm sorry,  
I'm mentally retarded  
Slim Shady  
I think that's my name  
Ruckus Records  
Fuckin' Crazy  
You hear us?  
We're fuckin' crazy  
All of us  
Hi....bye  
Nine somethin....
