(I don't know why this)
Yes man, as the world turns
(World keeps turning round and round)
We all experience things in life
(But I wish it would stop and let me off right now)
Trials and tribulations
(I don't know why this)
That we all must go through
(World keeps turning round and round)
When someone wants to test us
When someone tries our patience
(But I wish it would stop and let me off right now)

I hang with a bunch of hippies
And wacky tobacco planters
Who swallow lit roaches
And light up like Jack-o-lanterns
Outsiders baby, and we suing the courts
'Cuz we're dope as fuck and only get a 2 in the source,
yo
They never should've booted me out of reform school

Deformed fool, takin' the shit, now warn bulls
They threw me out the Ramada Inn
I said it wasn't me, I got a twin
Oh my god it's you! Not again
It all started when my mother took my bike away
'Cuz I murdered my guinea pig
And stuck him in the microwave
After that, it was straight to the 40 ouncers
Slappin' teachers, and jackin' off in front of my
counselors

Class clown freshman, dressed like Les Nessman
Fuck the next lesson, I'll past the test guessin'
And all the other kids said Eminem's a dishead
He'll never last, the only class he'll pass is Phys Ed
May be true, till I told this bitch in gym class
That she was too fat to swim laps, she needed slim fast
(Who me?)
Yeah bitch you so big you walked into big tanny's
And stepped on Jenny Craig

She picked me up to snap me like a skinny twig
Put me in the headlock, then I thought of my guinea pig
I felt the evilness and started transformin'
It began storming, I heard a bunch of cheering fans
swarming
Grabbed that bitch by her hair, drug her across the
ground
And took her up to the highest diving board and tossed
her down
Sorry coach, it's too late to tell me stop
While I drop this bitch face down and watch her belly
flop

(I don't know why this)
As the world turns
(World keeps turning round and round)
These are the days of our lives
These are the things
That we must go through
(But I wish it would stop and let me off right now)
Day by day

We drive around in million dollar sports cars
While little kids hide this tape
From their parents like bad report cards
Outsiders, and we suing the courts
'Cuz we dope as fuck and only get a 2 in the source
Hypercondriac, hanging out at the laundromat
Where all the raunchy fat white trashy blondes be at
Dressed like a sailor, standin' by a pale of garbage

It's almost dark and I'm still tryin' to nail a trailer park
bitch
I met a slut and said "What up, its nice to meet ya
I'd like to treat ya to a Bagel and a slice of pizza
But I'm broke as fuck
And I don't get paid till the first of next month
But if you care to join me, I was bout to roll this next
blunt
But I ain't got no weed, no Phillies, or no papers
Plus I'm a rapist and a repeated prison escapist

So gimme all your money and don't try nothin' funny
'Cuz you know your stinkin' ass is too fat to try to outrun
me"
I went to grab my gun, thats when her ass put it on me
Wit an uppercut and hit me with a basket of laundry
I fell through the glass doors, started causin' a scene
Then slid across the floor and flew right into a washin'
machine

Jumped up with a broken back
Thank god I was smokin' crack all day

And doped up off coke and smack
All I wanted to do was rape the bitch and snatch her
purse
Now I wanna kill her but so I gotta catch her first
Ran threw alleys, parkin' lots, and took a shortcut
Saw the house she ran up in and shot her fuckin' porch
up
Kicked the door down to murder this divorced slut
Looked around the room thats when I seen the
bedroom door shut
I know you're in there bitch! I got my gun cocked

You might as well come out now
She said "Come in, its unlocked!"
I walked in and all I smelled was Liz Claiborne
And seen her spread across the bed naked watchin'
gay porn
She said "Come her big boy, lets get acquainted"
I turned around to run, twisted my ankle and sprained
it
She came at me at full speed, nothin' could stop her
I shot her five times and every bullet bounced off her

I started to beg, "No, please let go"
But she swallowed my fuckin' leg whole like an egg roll
With one leg left, now I'm hoppin' around crippled
I grabbed my pocket knife and sliced off her right
nipple
Just trying to buy me some time, then I remembered
this magic trick
Den den den den den den, go go gadget dick
Whipped that shit out, and ain't no doubt about it
It hit the ground and caused an earthquake and power
outage
I shouted "Now bitch, lets see who gets the best!"
Stuffed that shit in crooked and fucked that fat slut to
death

{Come here bitch
Come here
Take this motherfuckin' dick
Bitch, come here}

(I don't know why this)
And as we go along
Throughout the days of our lives
(World keeps turning round and round)
(But I wish it would stop and let me off right now)

We all face small obstacles
(I don't know why this)
And challenges everyday
That we must go through
(World keeps turning round and round)

These are the things that surround us
Through our atmosphere
(But I wish it would stop and let me off right now)
Every day
(I don't know why this)
Every single day the world keeps turning
Keeps turning
Keeps turning
(World keeps turning round and round)
(But I wish it would stop and let me off right now)
