[Chorus One]

{Just pull the plug!}

People say that I'm a bad influence

I say the world's already fucked, I'm just addin to it

They say I'm suicidal, teenagers' newest idol {c'mon!}

C'mon do as I do, go ahead get mad and do it

{Just pull the plug!}

People say that I'm a bad influence

I say the world's already fucked, I'm just addin to it

They say I'm suicidal, teenagers' newest idol {c'mon!}

C'mon do as I do, go ahead get mad and do it

{Just let it gooo!}

[Eminem]

Hand me an .8, beam me up and land me in space

I'ma sit on top of the world {I'm here} and shit on

Brandy and Mase

I'm more than ill

I'm scarier than a white journalist in a room with Lauryn

Hill {Ahh!}

Human horror film

but with a lot funnier plot, and people that feel me

cause I'ma still be Madd Rapper, whether I got money

or not {yup}

As long as I'm on pills, and I got plenty of pot

I'll be in a canoe paddlin, makin fun of your yacht

But I would like an award

for the best rapper to get one mic in The Source

and a wardrobe I can afford

Otherwise I might get sent up back-strike in a Ford

And you wonder what the fuck I need more Vicadin for

Everybody's pissin' me off; even the No Limit Tank

looks like a middle finger sideways flippin me off

No shit I'm a great danger to my health

Why else would I kill you then jump in the grave and

bury myself?

[Chorus Two]

{Just pull the plug!}

People say that I'm a bad influence

I say the world's already fucked, I'm just addin to it

They say I'm suicidal, teenagers' newest idol {c'mon!}

C'mon do as I do, go ahead get mad and do it
{Just let it gooo!}
People say that I'm a bad influence
I say the world's already fucked, I'm just addin to it
They say I'm suicidal, teenagers' newest idol {c'mon!}
C'mon do as I do, go ahead get mad and do it
{Just do it!}

[Eminem]

I'm the illest rapper to hold the cordless, patrollin
corners
Looking for hookers to punch in the mouth with a roll of
quarters
I'm meaner in action than Roscoe beatin James Todd
Sr.
across the back with vacuum cleaner attachments {Ow!
Ow! Ow!}
I grew up in a wild hood, as a hazardous youth

with a fucked up childhood, that I used as an excuse
And ain't shit changed, I kept the same mindstate
since the third time that I failed 9th grade
You probably think that I'm a negative person, don't be
so sure of it
I don't promote violence, I just encourage it {c'mon}
I laugh at the sight of death
as I fall down a cement flight of steps {ahhhhhhhh!}
and land inside a bed of spider webs
So throw caution to the wind; you and a friend
can jump off of a bridge and if you live, do it again
Shit, why not, blow your brain out, I'm blowin mine out
Fuck it, you only live once, you might as well die now!

[Chorus Three]

{Just let it gooo!}
People say that I'm a bad influence
I say the world's already fucked, I'm just addin to it
They say I'm suicidal, teenagers' newest idol {c'mon!}
C'mon do as I do, go ahead get mad and do it
{Just pull the plug!}
People say that I'm a bad influence
I say the world's already fucked, I'm just addin to it
They say I'm suicidal, teenagers' newest idol {c'mon!}
C'mon do as I do, go ahead get mad and do it
{Just do it!}

[Eminem]

My laser disc gon' make you take a razor to your wrist
Make you satanistic, make you take the pistol to your
face
and place the clip and cock it back

and let it go until your brains are rippin out
your skull so bad to sew you back would be a waste of
stitches
I'm not a "Role Model," I don't wanna babysit kids
I got one little girl, and Hailey Jade is Shady's business
And Shady's just an alias I made to make you pissed
off
Where the fuck were you when Gil was paid to make
me dishwash?
I make a couple statements and now look how crazy
shit got
You made me get a bigger attitude than eighty Kim
Scott's
And she almost got the same fate that Grady's bitch
got
I knew that "Just the Two of Us" would make you hate
me this much
And "Just the Two of Us," that ain't got shit to do with us
and our personal life, it's just words on a mic
So you can call me a punk, a pervert or a chauvinist pig
But the funny shit is that I still go with the bitch!

[Chorus Two]
