(Girl) Yeah Hahahaha.....whooooo,shit
(Eminem) (aight)
(Em) guess what? i ain't coming in yet....
i'll come in a minute
(Em) ayo...this is my love song...it goes like this

Back when Mark Walhberg was Marky Mark
This is how we used to get the party start
We used to mix hen' with bacardi dark
and when it kicks in, you can hardly talk
and by the sixth gin you're probably crawl
and you'll be sick then and probably barf
and my prediction is you're probably fall
either in the lobby or the hallway wall
and everything spinning
you're beginnin' to think like a woman
are swimming in pink linen
again in the sink
then in a couple of minutes that bottle of guinness is
finished
you are now allowed to officially slap bitches
you have the right to remain violent and start wilin'
start a fight with the same guy that was smart-eyein'
you
get in your car, start it,and start drivin'
over the island and cause a forty-two-car pileup
earth calling pilot to copilot
looking for life on this planet,sir, no sigh of it
all i can see is a bunch of smoke flyin'
and i'm so high that i might dieif go by it
let me out of this place i'm outta place
i'm in outer spacei've just vanished without a trace
i'm going to a pretty place now where the flowers grow
i'll be back in an hour or so

Chorus:

'cause every time i go to try to leave
some geek keeps pullin' on my sleeve
i don't wanna, but i gotta stay
these drugs really got a hold of me
'cause every time i try to tell them
